THE only thing to do with the "Town Knocker" is to kick him out. Toler-
munity. He is the original "Caeads like an epidemic all over the com-
ate him for a minute, and he sprlamity Howler" and "Bird-of-ill-
Omen." He is never so happy as when he can persuade other people to think
the same way as he does. If allowed to "get the floor," he will knock the pins
from under the best proposition on earth. He is against every form of im-
provement, and if he converts enough people to his way of thinking, the town
will come to a dead stop. After having killed everything, he glories in the
fact that nothing can be done for the town. It is doomed. The only thing to
do with the "Town Knocker" is to head him for the cemetery. His habit of
knocking is so infectious that it has been known to spread among some of the
best people. Kick the knocker out.
